# G10 VINTAGE

The G10 Vintage is the natural evolution of the well-respected Vintage 10. Closer to the sound of the Vintage 30 than its predecessor, the G10 Vintage still maintains a distinctive tonal flavour of its own. All of these speakers use the same voice coil designs and similar ceramic magnet structures to achieve their familiar, hard-rocking Celestion sound.

Harking back to the original British rock invasion, the G10 Vintage provides a meaty 60W power handling with solid bass, muscular mids and an articulate top-end, making it perfect for anyone looking to upgrade the sound of an existing 2x10" or 4 x10". A particularly versatile performer, the G10 Vintage is also well suited for use in a single speaker cab.

## 8Ω FREQUENCY RESPONSE

## GENERAL SPECIFICATIONS

Nominal diameter	10", 254mm
Power rating	60W
Nominal impedance	8Ω & 16Ω
Sensitivity	97dB
Chassis type	Pressed steel
Voice coil diameter	1.75", 44.5mm
Voice coil material	Round copper
Magnet type	Ceramic
Magnet weight	.31oz, 0.88kg
Frequency range	100-5500Hz
Resonance frequency, Fs	.115Hz
DC resistance, Re	7.47Ω & 12.33Ω

## MOUNTING INFORMATION

Diameter	10.1", 256mm
Overall depth	4.1", 104mm
Magnet structure diameter	5.3", 134mm
Cut-out diameter	9.0", 229mm
Mounting slot dimensions	0.2 x 0.3", 6 x 8mm
Number of mounting slots	4
Mounting slot PCD	9.6", 245mm
Unit weight	5.3lb, 2.4kg
